

## **Fuel Control Valve Upgrade**

The FCV (Fuel Control Valve) part number FCV-25754 has been replaced by a new kit containing a new solenoid and additional adaptive parts. The new kit part number is FCV-50757.

The FCV-25754 was a component of the following Kits--all are affected by this change:

| Part Number | Description              | Qty |
|-------------|--------------------------|-----|
| EK-CDP-1    | Commander Kit            | 1   |
| EKCDP-1DX-4 | Kit, Microprocessor 4Cyl | 1   |
| BP-D        | Installation Kit         | 1   |

**NOTE:** FCV is a one-way valve and MUST be installed as shown above.
